WISE/FRIQ Assessments

What is FRIQ?

FRIQ

(Faith-Religion Integration Quotient) measures how well you integrate faith into your work across four dimensions:

1.

Worship

(W): Acknowledging God's presence and making work an act of worship

2.

Integrity

(I): Maintaining ethical standards and honesty

3.

Service

(S): Serving others through your work

4.

Excellence

(E): Pursuing excellence as a form of worship

FRIQ Score

: 0-100 (higher is better)

Assessment Levels

Level 1: Baseline Assessment

- **When**
: Before starting weekly study
- **Purpose**
: Establish starting point
- **Required**
: Yes, to unlock weekly content
- **Questions**
: 20 total (5 per dimension)
- **Time**
: ~10-15 minutes

Level 2: Midpoint Assessment

- **When**
: After completing some weeks (admin configurable)
- **Purpose**
: Measure progress
- **Required**
: No, but recommended
- **Questions**
: Same structure as Level 1
- **Time**
: ~10-15 minutes

Level 3: Final Assessment

- **When**
: After completing all weeks (admin configurable)
- **Purpose**
: Measure final transformation
- **Required**
: No, but recommended

- **Questions**
: Same structure as Level 1
- **Time**
: ~10-15 minutes
