

My Marketplace Pledge

In the presence of God and before my peers, I resolve to live as a faithful ambassador of the Kingdom within the marketplace. Recognizing that my profession is my primary mission field, I commit to the following:

- **I Pledge Excellence:** I will approach every task with a heart for my true Master, God, refusing to cut corners and choosing to honor Him through the quality of my work.
- **I Pledge Integrity:** I will prioritize truth and honesty in all dealings, maintaining a consistent witness that builds trust and spiritual credibility over time.
- **I Pledge Presence:** I will honor boundaries and respect those around me, seeking to be a faithful, humble presence that creates space for God's grace to work in its own time.
- **I Pledge Stewardship:** I will view my position, influence, and resources not as my own, but as sacred trusts to advance God's purpose and uplift others.
- **I Pledge Persistence:** I will not grow weary in doing good, trusting that in the proper season, God will bring forth a harvest that outlasts my career and impacts eternity.
